Nov 19 1942

Miss Sylvia Rosenberg,  
ASCAP,  
Thirty Rockefeller Plaza,  
New York.

Dear Miss Rosenberg:

Following up our phone conversation today, I am enclosing my royalty statements from Southern Music for the year ending Sept. 30, 1942 showing my uses on BMI for that period - a total of 55,049 uses during that period. These uses were earned by my works which were originally ASCAP property, the transfer of which as you realize, I was powerless to avoid.

As I explained to you, I felt that this information would be of interest to both you and Mr. Taylor and would tend to substantiate my claim that this better type of hillbilly material does enjoy very substantial uses throughout the country.

These are my original statements and I will appreciate it if you will see that they are returned to me when they have served their purpose. If you care to have copies made and keep with my file, it is perfectly satisfactory, in fact, I think it might be a very good idea for future reference.

I want to thank both you and Mr. Taylor for my nice reception yesterday - I realize that my problem is only one of many you have to cope with right now and please believe me sincere in my desire to be a help rather than a bother, so if there is any information I might furnish at any time, please be assured of my fullest co-operation with "no strings attached".

I will let you know as soon as the "Blessed Event" happens.

My kindest regards

Sincerely yours,

A handwritten signature in cursive script, reading "Carson Robison", written in dark ink.
